When ordering custom t-shirts, please note that there is a 6 piece minimum. Please email or call for quantities under 6.

Instructions for filling out this form:

1. Fill in the t-shirt information ie. Brand, style number, sizes, colors & quantities.
2. Choose a method of decoration. **See placements diagram for decoration placement information.**
3. Choose your placement area & specify exactly where you want your design/text ie. left/right, front/back etc.
4. Tell us exactly what we are putting where. For example "Coach Williams" left chest or "embroidered basketball" right shoulder sleeve. Also, make sure you use correct spelling & case for text.
5. Specify the stock embroidery font if applicable. Please choose fonts from our [Embroidery Fonts](#) page.
6. Specify the color. ie. whether it's a twill color & a thread color for tackle twill, thread color(s) for embroidery, etc.

Embroidery, tackle twill, applique, patches or heat applied graphics can be used to decorate t-shirts in any of the placement locations. We will not embroider, tackle twill or applique any t-shirts weighing less than 5.5 ounces.
